Objective

As a passionate and driven IT student, my career objective is to embark on a journey of continuous learning and growth within the dynamic field of Information Technology.

Education

Vasireddy Venkatadri Institute of Technology   Nambur, India
B.Tech in Information Technology   2021 - present
CGPA: 7.97/10 (as of 7th Semester)

Bhavana Junior College   Narasaraopet, India
Intermediate (MPC)   2019 - 2021
Percentage: 91%

Lions Montessori High School   Pedanandipadu, India
SSC   2018 - 2019
CGPA: 10/10

Academic Projects

Integrating Spatial and Sequential Analysis for Lung Cancer Detection
- Developed a deep learning model combining Long Short-Term Memory (LSTM) and MobileNet to detect lung cancer from medical imaging and clinical data.
- Utilized TensorFlow and Python for implementation, achieving improved detection accuracy.

Student Result Analysis Management System - Web Development
- Designed and developed a web-based interface to streamline result analysis and improve data accuracy in educational institutions.
- Integrated database connectivity for real-time result retrieval and analysis.

Certifications

- **Cloud Computing** - NPTEL
- **Associate Google Cloud Engineer** - Google Cloud
- **Advanced Data Science** - Indo-Euro Organization

Internships

Salesforce Developer Virtual Internship - Smart Bridge
November 2023 - December 2023
- Gained hands-on experience by working on simulated projects, focusing on Salesforce development and practical implementations.
- Enhanced understanding of CRM tools and Salesforce workflows.

Skills

Technical Skills: Python, Java (Basic), HTML5, CSS, Data Structures and Algorithms
Academic Courses: DBMS
Soft Skills: Time Management, Team Collaboration, Strategic Thinking
